Dear shareholder,

Annual General Meeting to be held on Thursday, 9 July 2020

In light of social distancing measures as a response to the Coronavirus (Covid-19) pandemic, this year's AGM will be run as a closed meeting and shareholders will not be permitted to attend the AGM. We hope that you understand in these exceptional circumstances that we are taking these steps to adhere to the UK Government guidelines and to protect our shareholders, employees, the Board and the wider community.

While the pandemic restricts our ability to follow our usual AGM format, we will make arrangements so that the legal requirements to hold the meeting can be satisfied through the attendance of two Landsec director shareholders/or employee shareholders. Any shareholders attempting to attend the AGM will be refused entry on grounds of public safety.

The outcome of the Resolutions will be determined by the proxy votes we receive ahead of the AGM. We strongly encourage you to vote by proxy on the Resolutions contained in the AGM Notice. Given restrictions on attendance, shareholders are encouraged to appoint the Chairman of the Meeting as your proxy rather than another person who will not be permitted to attend the meeting.

While shareholders will not be able to attend the AGM in person, we are keen to continue the important engagement that we have with you during this time. Therefore, should you have a question in relation to the AGM Resolutions, the 2020 Annual Report or the business of the Company, please email your question to agm2020@landsec.com by 10.00am on Tuesday, 7 July 2020. Questions will be grouped into themes and addressed on our website as soon as is practically possible following the AGM.

We will continue to monitor the impact of the pandemic, with the health and safety of our shareholders as our priority. If it becomes necessary or appropriate to make changes to the proposed format of the AGM, we will inform shareholders as soon as we can. Shareholders are encouraged to monitor our website at landsec.com/agm and London Stock Exchange announcements for any updates.

There are 18 Resolutions proposed at this year's AGM and we will take all of these on a poll vote. Explanatory notes to each of these Resolutions are set out in Part 1 of this Notice. Your Directors consider the Resolutions to be in the best interests of the Company and its shareholders as a whole and unanimously recommend that you vote in favour of them, as they intend to do in respect of their own beneficial shareholdings. The voting results will be notified to the London Stock Exchange and posted on our website as soon as possible after the meeting.

I would like to thank you for your continued support, particularly during these challenging times.

Yours sincerely,

This power shall expire at the earlier of the conclusion of the next Annual General Meeting of the Company or 15 months from the date this Resolution is passed, provided that the Company may make offers and enter into agreements before this authority expires which would, or might, require equity securities to be allotted (and treasury shares to be held) after the authorisation expires and the Directors may allot equity securities (and sell treasury shares) under any such offer or agreement as if the authority had not expired.

 - (b) an amount equal to the higher of the price of the last independent trade of an ordinary share and the highest current independent purchase bid for an ordinary share on the trading venues where the purchase is carried out.

This authority shall expire at the earlier of the conclusion of the next Annual General Meeting of the Company or 15 months from the date this Resolution is passed, provided that the Company shall be entitled, at any time prior to the expiry of this authority, to make a contract of purchase which would or might be executed wholly or partly after the expiry of this authority and to purchase ordinary shares in accordance with such contract as if the authority had not expired.

Part I

Explanatory notes

Ordinary Resolutions

Resolution 1 – 2020 Annual Report

For each financial year, the Directors must present their report and the accounts of the Company to shareholders at the AGM. The accounts, Strategic Report, Directors' Remuneration Report, Directors' Report and the Auditor's Report on those accounts, and on those parts of the Directors' Remuneration Report that are capable of being audited, are contained within the 2020 Annual Report.

Resolution 2 – Directors' Remuneration – Annual Report

This Resolution seeks shareholder approval for the Directors' Remuneration – Annual Report set out on pages 88-98 of the 2020 Annual Report (the Annual Report on Remuneration) which sets out details of the payments and share awards made to Directors in connection with their performance, and that of the Company, during the year ended 31 March 2020.

The vote on the Annual Report on Remuneration is advisory in nature in that payments made or promised to Directors will not have to be repaid, reduced or withheld in the event that Resolution 2 is not passed.

In accordance with legislation, the Company offered shareholders at the 2018 AGM a binding vote to approve the Directors' Remuneration Policy which it is required to do at least once every three years (i.e. next scheduled for the 2021 AGM), but on a more frequent basis if changes are proposed. The Policy was approved by shareholders with a 99% vote in favour and no changes to it are proposed this year. The Company has applied the Policy during the year under review and will continue to apply it for the coming year (as set out in the Annual Report on Remuneration). The Policy is set out in full on pages 99-103 of the 2020 Annual Report.

The Company's auditor, Ernst & Young LLP, has audited those parts of the Directors' Remuneration Report required to be audited and its opinion forms part of its independent report to shareholders, which can be found on pages 109-114 of the 2020 Annual Report.

Resolutions 3 to 11 – Election and Re-election of Directors

In accordance with the Company's Articles of Association, new Directors appointed since the last AGM are required to seek election to office at the following AGM of the Company. This is the case this year in respect of Mark Allan who joined the Board as an Executive Director on 14 April 2020. All other existing Directors are required to stand for re-election at each AGM of the Company. Accordingly, these Resolutions seek shareholder approval for the election of Mark Allan and the re-election of all the Company's other current Directors. All Directors standing for re-election have confirmed their willingness to remain in office.

Details of the internal Board evaluation process can be found in the Corporate Governance section of the 2020 Annual Report on pages 74-75. Following such evaluation, the Board considers that each Director continues to be effective and demonstrates commitment to the role.

The independence, effectiveness and commitment of each of the Non-executive Directors has been reviewed and the Nomination Committee was satisfied with the contributions and time commitment of all the Non-executive Directors during the year. The Board is satisfied that each of the Non-executive Directors (excluding the Chairman) remains independent

in both character and judgement and there are no relationships or circumstances likely to affect their independence. Accordingly, the Board recommends the election or re-election of all the Directors.

The Board currently has nine Directors (comprising a Non-executive Chairman, three Executive Directors and five other Non-executive Directors), whose experience and expertise are derived from a range of industries, sectors and personal characteristics that provide an invaluable perspective on the Company's business. Biographical details for each Director, including their career history, skills, competencies and experience and an explanation of why each Director's contribution to the Board is and continues to be important to Landsec's long-term sustainable success, can be found on pages 62-64 of the 2020 Annual Report and on our website: landsec.com/about/our-management.

Resolutions 12 and 13 – Re-appointment of auditor and determination of its remuneration

EY has indicated its willingness to stand for re-appointment as auditor of the Company. On the recommendation of the Audit Committee, the Board is proposing its re-appointment to office until the conclusion of the AGM in 2021 and also seeking authority to determine its remuneration.

Resolution 14 – Political donations

The 2006 Act requires companies to obtain shareholder consent before they can make donations to a political party, other political organisations or an independent election candidate, or incur any political expenditure. However, the definitions of political donation and political expenditure used in the 2006 Act are very broad and as a result could inadvertently catch support which the Company may wish to give in relation to legitimate activities, such as policy review, law reform and the representation of the business community and special interest groups (such as those concerned with the environment). Such activities are not designed to support any political party or influence public support for any particular party, other political organisation or an independent election candidate.

It is not proposed or intended to alter the Company's policy of not making political donations, within the normal meaning of that expression.

The authority being sought under this Resolution is of a precautionary nature to ensure the Company and its subsidiaries do not inadvertently breach the 2006 Act.

Resolution 15 – Authority to allot securities

Under section 551 of the 2006 Act, the Directors may only allot shares or grant rights to subscribe for, or convert any security into, shares if authorised to do so by shareholders in a general meeting.

The existing authority provided at last year's AGM to allot shares in this way expires at the conclusion of this year's AGM. Consequently, this Resolution seeks to renew the authority for a further period until the earlier of the conclusion of next year's AGM or 15 months from the date this Resolution is passed (unless previously renewed, varied or revoked by the Company in general meeting).

The aggregate nominal value which can be allotted under the authority set out in paragraph (i) of the Resolution is limited to £26,363,515 (representing 247,157,961 ordinary shares with a nominal value of 10²/₃p each), which represents approximately one-third of the Company's issued ordinary share capital (excluding treasury shares) as at 28 May 2020, being the latest practicable date prior to the publication of this Notice.

In accordance with guidance issued by The Investment Association, the authority in paragraph (ii) of the Resolution permits the Directors to allot shares, or to grant rights to subscribe for, or convert any security into, shares in the Company only in connection with a fully pre-emptive rights issue, up to a further nominal value of £26,363,515. This amount, together with the authority provided under paragraph (i) of the Resolution, represents approximately two-thirds of the Company's issued ordinary share capital (excluding treasury shares) as at 28 May 2020.

The Directors currently have no intention of issuing new shares, or of granting rights to subscribe for or to convert any security into shares, except in connection with the Company's employee share plans.

As at 28 May 2020 there were 9,839,179 ordinary shares held in treasury, representing approximately 1.3% of the Company's total issued ordinary share capital.

Special Resolutions

Resolutions 16 and 17 – Disapplication of pre-emption rights

Under section 561(1) of the 2006 Act, if Directors wish to allot shares for cash or sell treasury shares for cash (other than pursuant to an employee share scheme), they must in the first instance offer them to existing shareholders in proportion to their holdings. There may be occasions, however, when Directors need the flexibility to finance business opportunities by the issue of shares or the sale of treasury shares for cash without a pre-emptive offer having to be made to existing shareholders.

Resolution 16 renews the Directors' power to allot equity securities and sell treasury shares in exchange for cash without first offering them to existing shareholders. Apart from a rights issue or any other pre-emptive offer concerning equity securities, the authority contained in this Resolution will be limited to the issue of shares for cash up to an aggregate nominal value of £3,954,527 (which includes the sale on a non-pre-emptive basis of any shares held in treasury). This number represents approximately 5% of the Company's issued share capital as at 28 May 2020 (excluding treasury shares), being the latest practicable date prior to publication of this Notice.

As contemplated by the Pre-Emption Group's revised Statement of Principles issued in 2015 (the Principles), Resolution 17 seeks an additional and separate authority to disapply pre-emption rights on a rights issue so as to allow the Directors to make exclusions or such other arrangements as may be appropriate to resolve legal or practical problems (which, for example, might arise with overseas shareholders).

The Board confirms, in accordance with the Principles, that it will only allot shares representing more than 5% of the issued ordinary share capital of the Company for cash pursuant to the authority referred to in Resolution 17, where that allotment is in connection with an acquisition or specified capital investment, which is announced contemporaneously with the allotment. Where the authority granted under Resolution 17 is used, the circumstances that have led to its use and the consultation process undertaken will be disclosed by the Company in its next Annual Report.

The Board also confirms, in accordance with the Principles, its intention that (except in relation to an issue pursuant to Resolution 17 in respect of the additional 5% referred to above) no more than 7.5% of the issued ordinary share capital of the Company (excluding treasury shares) will be issued for cash on a non pre-emptive basis during any rolling three-year period, without prior consultation with shareholders.

While the Directors have no present intention of issuing new shares other than pursuant to employee share plans, the Board considers the authority sought to be appropriate in order to provide the Company with flexibility to take advantage of business opportunities as they arise. If approved, this authority will expire at the earlier of the conclusion of the next AGM or 15 months from the date this Resolution is passed.

Resolution 18 – Authority to purchase own shares

This Resolution, which will also be proposed as a Special Resolution, renews the authority granted at last year's AGM and which expires at the conclusion of this year's AGM.

It authorises the Company to make market purchases of its own ordinary shares, subject to the 2006 Act, up to 10% of the Company's issued ordinary share capital (excluding any treasury shares), should market conditions and the share price justify such action.

The Directors only intend to make use of this authority if to do so would be expected to lead to an increase in the net asset value and earnings per ordinary share for the remaining shareholders and would be in the best interests of shareholders generally, having due regard to appropriate gearing levels, alternative investment opportunities and the overall financial position of the Company. The Company did not purchase any of its own shares during the financial year ended 31 March 2020.

The minimum price, exclusive of expenses, which may be paid for an ordinary share is 10²/₃sp. The maximum price, exclusive of expenses, which may be paid for an ordinary share is the highest of:

- (a) an amount equal to 5% above the average market value for an ordinary share for the five business days immediately preceding the date of purchase, and
- (b) the higher of the price of the last independent trade and the highest current independent purchase bid on the trading venue where the purchase is carried out.

Any purchases of ordinary shares would be by means of market purchases through the London Stock Exchange. Any shares purchased under this authority may either be cancelled or held as treasury shares by the Company. Treasury shares may subsequently be cancelled, sold for cash or used to satisfy options issued to employees pursuant to the Company's employee share plans.

As at 28 May 2020, employee share options were outstanding over 2,222,496 ordinary shares which, if exercised using new issue shares, would represent 0.30% of the Company's issued ordinary share capital (excluding treasury shares). If the proposed authority for the Company to purchase its own shares were used in full, that percentage would increase to 0.33%.

As at 28 May 2020 there were no outstanding warrants to subscribe for equity shares in the Company.

The authority will only be valid until the earlier of the conclusion of the next AGM or 15 months from the date this Resolution is passed.

Part II

Shareholder notes

Shareholders' right to vote at the AGM

Only those shareholders entered on the Company's register of members at 6.30pm on 7 July 2020 shall be entitled to vote at the AGM in respect of the number of shares registered in their name at that time. If the Meeting is adjourned, the Company specifies that only shareholders entered on the Company's register of members not later than 6.30pm on the day two days prior to the reconvened meeting shall be entitled to vote at the Meeting. Changes to the register of members after the relevant deadline will be disregarded in determining the rights of any person and vote.

Questions at the AGM

Any shareholder, corporate representative or proxy has the right to ask questions in relation to the business of the AGM. This year, the Company encourages shareholders who wish to ask a question to submit their questions in advance of the AGM. Shareholders should send any such questions to agm2020@landsec.com by 10.00am on Tuesday, 7 July 2020. Questions will be grouped into themes and addressed on the Company's website as soon as is practically possible following the AGM.

Shareholder right to appoint a proxy

A shareholder entitled to attend and vote at the AGM may appoint another person as his/her proxy to exercise all or any of his/her rights to vote at the AGM. A shareholder can appoint more than one proxy in relation to the AGM, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. Given the restrictions on attendance, shareholders are encouraged to appoint the Chairman of the Meeting as their proxy rather than another person who will not be permitted to attend the meeting.

A Form of Proxy which may be used to make such appointment and give proxy instructions accompanies this Notice of Meeting. If you do not have a Form of Proxy but believe that you should have one, or if you require additional forms, please contact Equiniti on 0371 384 2128. (Lines are open from 9.00am to 5.00pm, Monday to Friday, except public holidays in England and Wales). Equiniti's overseas helpline number is +44 121 415 7049. You can only appoint a proxy using the procedures set out in these notes and the notes to the Form of Proxy.

To be valid, any Form of Proxy must be received by hand during normal business hours or by post at Equiniti, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA, England, no later than 10.00am on Tuesday, 7 July 2020 (i.e. 48 hours before the time of the Meeting).

In the case of joint holders, any one holder may sign the proxy form. The vote of the senior holder who tenders a vote will be counted to the exclusion of the votes of the other joint holders. For this purpose, seniority is determined by the order in which the names appear on the register of shareholders.

Voting electronically by proxy

Shareholders who prefer to register the appointment of their proxy electronically via the internet can do so through the Equiniti website: sharevote.co.uk where full instructions on the procedure are given. The Voting ID, Task ID and Shareholder Reference Number printed on the Form of Proxy will be required to use this electronic proxy appointment system.

Alternatively, shareholders who have already registered with Equiniti's online portfolio service, Shareview, can appoint their proxy electronically by logging on to their portfolio at www.shareview.co.uk using their ID and password. Once logged in, click 'View' on the 'My Investments' page, click on the link to vote then follow the on-screen instructions.

A proxy appointment made electronically will not be valid if sent to any address other than those provided or if received after 10.00am on Tuesday, 7 July 2020. Please note that any electronic communication found to contain a computer virus will not be accepted.

You may not use any electronic address provided either in this Notice or any related documents (including the Form of Proxy) to communicate with the Company for any purposes other than those expressly stated.

The return of a completed Form of Proxy, any other such instrument or any CREST Proxy Instruction will not prevent a member attending the AGM and voting in person (in place of their proxy vote) should the Company announce that the AGM arrangements will change such that shareholders are permitted to attend.

Indirect investors

Any person to whom this Notice is sent who is a person nominated under section 146 of the 2006 Act to enjoy information rights (Nominated Person) may, under an agreement between them and the member by whom they were nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, they may, under any such agreement, have a right to give instructions to the member as to the exercise of voting rights.

The statement of the rights of shareholders in relation to the appointment of proxies above does not apply to a Nominated Person. The rights described in those paragraphs can only be exercised by shareholders of the Company.

CREST

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM to be held on 9 July 2020 and any adjournment(s) thereof by using the procedures described in the CREST Manual which can be viewed at www.euroclear.com. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual available via www.euroclear.com. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by the latest time(s) for receipt of proxy appointments specified in this Notice.

For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that there are no special procedures in CREST for any particular messages. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that their CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this regard, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
